★★★★★ – “Your shop is beautiful and something fun for everyone! I can’t wait to see all of your outdoor stuff on my next trip!”

Heather, the oldest daughter, loves searching for and finding “**good junk**”. She and her husband, Lenny, are passionate about restoring “the old” and making it shine like new again.

Neal and Pam’s other daughter, Mindy runs B Worn, a modern twist in the vintage store. You can find trendy clothes and accessories there, mixing old and new in a fun way.

Tyler, the son, enjoys finding and restoring furniture pieces (work benches in particular) to sell in the shop. And don’t forget Sawyer Bean Candle Co., run by Ashley, Tyler’s wife. Her candles add a cozy touch to B Restored.

Together, the Schirm family has made B Restored more than just a store; it’s a place where memories and history live on.

Come visit and experience all that B Restored has to offer.

In regard to the April 26th
tornado damage

Minden Mayor
KEVIN ZIMMERMAN

“

We are continuing the debris haul-a-way and hope to finishing the major piles by the end of the week. We're still working to remove the tree debris and a large grinder has been brought in to help. Things are starting to look better around town. Several homes have been demolished with many more to come. Building repair has already started for the homes with minor damage and hopefully we'll see more building contractors in Minden very soon.

NEW MEMBER SPOTLIGHT

CROCKERY & MORE

Founded in mid-2020, Crockery & More emerged as Iowa's premier destination for stoneware enthusiasts, swiftly securing its position among the top 5 such establishments in the Midwest. While our commitment to offering a diverse range of stoneware brands remains unwavering, sourcing various sizes presents its own set of challenges. Notably, our 60g crocks have garnered acclaim.

Specializing in revered potteries like Redwing, Monmouth, Ft. Dodge, Whitehall, and Macomb, we engage in the buying, selling, and trading of these cherished pieces. Beyond stoneware, our inventory boasts an eclectic array of antiques, pottery, candles, and even an enticing selection of organic pasta and oils, invoking the flavors of Italy. For those seeking relief from discomfort, our copper ware offers potential respite.

Mark the calendar for our season opener on April 10th, with operating hours from 10 am to around 3:30pm, Wednesday through Sunday, until November. Amidst the hustle, I've had the

pleasure of memorable encounters, like the day a distinguished gentleman, president of the Redwing Stoneware Collectors Society, walked in. Standing beside a puzzle composed of crocks, many of which were his own, acquired at the RWCS California chapter's convention years ago, he became an integral part of our story. His annual pilgrimage from California to Redwing always includes a stop at our store for lively discussions about crocks.

Crockery & More | 225 Antique City Dr
Walnut, IA 51577

Interestingly, the puzzle was assembled and framed by my 95-year-old father just before our grand opening, adding a sentimental touch to our journey. Frequently, customers mistake our century-old crocks for new acquisitions, only to be astounded by their age and functionality. Few realize that the gallon measurement denotes their capacity, with smaller sizes akin to Tupperware and larger ones serving as the refrigerators of yesteryears.

Embarking on this entrepreneurial venture, I've learned valuable lessons, particularly the importance of humility and receptiveness to wisdom from those versed in the "school of hard knocks." While our local community of antique enthusiasts is well-acquainted with our offerings, educating larger cities like Omaha and Des Moines about Iowa's antique treasures remains a priority.

With each passing year, we endeavor to enhance the customer experience, knowing that increased patronage translates to greater opportunities for sourcing unique finds. Indeed, it's a simple equation: more sales lead to more acquisitions, ensuring a steady stream of visitors eager to explore our ever-evolving inventory.

RIBBON CUTTING CEREMONY INFORMATION

CONGRATULATIONS

On your upcoming business milestone! Whether you're opening a new business, celebrating an anniversary, or relocating/expanding an existing business in western Iowa, we are thrilled for your success and grateful for the opportunity to assist you in commemorating this special occasion. Our services for ribbon cutting ceremonies are entirely free for businesses in our area.

WHY HOLD A RIBBON CUTTING CEREMONY?

This event serves as a significant milestone in the history of your business and presents an excellent photo opportunity to capture the moment. It allows the owner to introduce themselves to the attendees and the wider community, explaining the nature of their business. Additionally, a ribbon cutting ceremony provides a platform to express gratitude to financial backers, employees, family, friends, and business partners. We, at WIDA, can coordinate with city officials, invite our Board of Directors and business members, and promote the event on our website, Facebook page, and newsletter (if submitted ahead). Our staff will arrive with ceremonial scissors and ribbon, as well as capture photos to be shared on our social media platforms and in our next newsletter. We have a wide reach within western Iowa, and we want others to hear about your business.

THINGS TO CONSIDER FOR YOUR RIBBON CUTTING CEREMONY:

- Who will cut the ribbon? It is common for owners or top executives to perform this honor, but ultimately, the choice is yours.
- When will you hold the event? We recommend Wednesday-Fridays, during the lunch hour, late afternoon, or early evening to attract the largest crowds. It's also advisable to promote the event 3-4 weeks in advance to maximize attendance and exposure.
- What would you like to share before cutting the ribbon? You can express gratitude towards those who supported you throughout the journey, share the story behind your business, or mention any special offers or upcoming events. Please limit your speech to three minutes or one page of notes.
- How can you maximize the event? Make sure to invite your family, friends, and clients. Consider hosting a drawing or raffle to collect business cards and expand your database. While drinks, refreshments, decorations, and door prizes are optional, keep in mind that the ribbon cutting ceremony itself is typically short. However, your grand opening celebration with others can continue as long as you wish.
